

HAUT-BAILLY • II

2020

Haut-Bailly•II is proud to be a reflection of the *grand vin*. This wine comes from a strict selection and offers a capacity for more immediate pleasure. A second wine model, it is also the symbol of a second generation that will write an additional chapter of the Wilmers family at Haut-Bailly.

This new label is of course different from that of its elder by the absence of the mention "Chateau", and restores the dot - touch of modernity - that existed on the labels of Haut-Bailly until 1985. The touch of red, matching the capsule is synonymous with energy and discreet elegance.

The blend is a composition of parcels marked with freshness and fruit, built upon a suave, elegant structure. Reflecting the virtues of the grand vin, Haut-Bailly•II can be enjoyed young, although it also has good ageing potential.

Haut-Bailly•II 2020 is an intense second wine with a harmonious structure, coloured and dense with powerful yet smooth tannins.

Harvest dates: September 9th to 25th

Blend:

54% Merlot

46% Cabernet Sauvignon
